

# RE-716P Series Manual Pull Station

## Product Overview

RE-716P Manual Pull Station is a high quality non-toxic die-cast manual pull station. Low profile design and smooth edges offer an attractive yet functional design. All components are prepainted or have plated surfaces to inhibit corrosion. Electrically the RE-716P Manual pull station is unbeatable with 10 Amp snap action switch offered in all possible contact arrangements (including gold contacts). The RE-716P pull station can be used with or without a break glass rod with replacement requiring no special tools.

## Features

- Lift and pull
